The Cinque Terre, an UNESCO World Heritage site, is an absolute must-see! Perhaps one of the most breathtaking sites in all of Europe, it is noted for its exceptional beauty. "5 Terre" literally translates into "The 5 Lands," as it is comprised by 5 villages along the Liguria coastline.

Over centuries, people have carefully built terraces on the rugged, steep landscape right up to the cliffs that overlook the sea. Part of its charm is the lack of visible "modern" development. Paths, trains and boats connect the villages, and cars cannot reach it from the outside. It is a very popular tourist destination, don't miss out on this trip of a lifetime!
