Photography - \$35 per class or \$100 for four courses

- Macro Photography
- Portraiture/Glamour Shots
- Food Photography
- Understanding F-Stops, Aperture, ISO and Shutter Speed

**Beginning Photoshop**

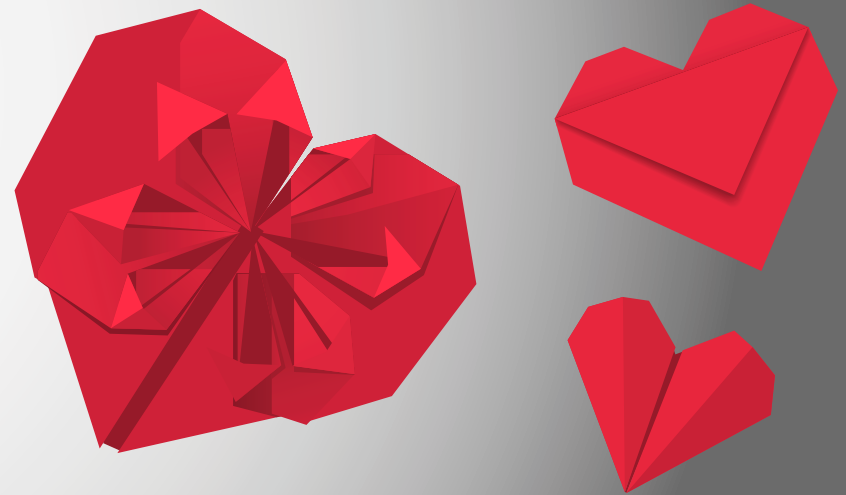

Learn the basics of this comprehensive graphics program with excellent features, and many tools to manipulate and improve your photos. Photoshop allows you to edit, colorize, fix, and crop your pictures. It has many more features than your basic paint program and allows you to enhance your photographs in many basic and unique ways. \$30

**Stained Glass: Copper Foil Technique**

First Monday of the month. Class runs for 4 consecutive Mondays from 1600-1800. Learn the stained glass technique developed by Louis Comfort Tiffany in the 19th Century. Among the topics covered are preparing a pattern, glass cutting, foiling, soldering, and application of patina. The class project is an 8" X 10" Victorian floral panel. \$100 - includes all materials and use of tools.

**Stained Glass: Leaded Glass Technique**

First Wednesday of the month. Class runs for 4 consecutive Wednesdays from 1600-1800. Project is a 10" X 14" Fleur-De-Lis Victorian panel. \$100 - includes all materials and use of tools.

**Arts & Crafts: 632-2989**

Auto Hobby: 632-2277

Framing: 632-0174
