Pond Fishing Vogonovo

NOTE..... Please Read this Section Before Going Any Further so as Not to have any **Misunderstanding** at Fishing Ponds

The Fishing ponds in Italy are a Business which are there for the sole purpose for the Breeding and Selling of Fish. Public are allowed in to these facilities so as to Purchase Fish by Personally Catching the fish.

The fish in the large ponds are fish which have been transferred from the Breeding Tanks/ Pools when they have reached Legal Size, as per Italian Fishing Laws.

If Your Intent is to Purchase Fish then this is the place to be. These Ponds are **Not CATCH AND RELEASE** as all the fish hooked are of Legal Size and **Have to be Purchased**

If this is **Not Your Intent** then you may have to look at the option of getting an **Italian Fishing Permit** – Please see How and Details for “**Fishing Permit**” the document is located for download on our ODR Home page.

Fishing Pond Rules and Policies

DO NOT CATCH AND RELEASE!!!! *** This is Strictly Prohibited!!!**

- 1) Trout do not handle being caught and they will often swallow the hook, making removal difficult for you and the fish. As a result, most of these fish die and disrupt the ecology of the closed lake system.
- 2) Fish are weighed after you are done fishing and payment is made at the weight-in shed.
- 3) Cost of Fish per Kilogram of fish caught (+ - Euro 4.20 - Price is Subject to Change) A Kilogram is about 2.2 Pounds - Most fish average close to a pound.
- 4) Bring Along a pair of Long Nose Pliers to remove the hooks from fish (Not supplied)
- 5) Bait (Known as ESCA) can be purchased on location from €0.60 to €3.00 per Box – This preferred bait is a box of Sweet Corn, Worms or Wood Grubs and there are plenty per Box.
- 6) Additional Hooks and Weights can be purchased on location.
- 7) Fishing Rod can also be rented on site for €2.00 all day

Other Services Available On Site

- 1) BBQ's are available in the parking area to grill fish caught or bring own meat and charcoal.
- 2) There is a large grass area for Picnic and Sports, Free Use and must be kept clean by user. And all trash produced by user must take trash away/home, due to the Italian Recycling Laws to which facility cannot provide adequate service for.

Grass Area for Pic Nic and Sports

Car Park with BBQ's along Perimeter

- 3) Cleaning/Gutting of fish is done by who catches fish and there is a fish cleaning station for this purpose.
- 4) Fish Cleaning Tools – Like Knives and Fish Scissors are Not Supplied – Need to provide your own.
- 5) Italian Bar on site for Sodas, Espresso or Cappuccino etc at the Agriturismo/Restaurant on site.
- 6) Tables and Benches found on site you first need to arrange with Fishing Pond Management for their use.
