A NOTE ON FEBRUARY'S GRAPEVINE THEME:

Buongiorno, Wyverns! Carnival is fast approaching with Spring on the horizon, and what better way to celebrate than by learning its true origin! Carnival is a celebration held all around Italy, which was inspired by the *Roman Saturnalia Festival*. Carnival origins in Italy can be traced back to ancient celebrations of the arrival of Spring and have developed throughout the centuries. The Italian word for Carnival, *Carnevale*, is believed to be derived from the Latin "*carnem levare*," which means 'take away the meat'. This refers to the day before the Christian period of Lent, when people traditionally abstained from eating meat. During Carnevale, you might notice Italians wearing lavish costumes and masks that became a fixture during the early Renaissance. The masquerade ball was introduced by Pope Paul II in the 15th century and gained approval largely thanks to the popularity of the characters of the "Commedia dell'Arte", who are at the origin of many of the most popular Italian "maschere di Carnevale". The **Carnevale of Venice** and that of **Viareggio** spawned many famous international renditions - such as the Carnivals in New Orleans, Rio (Brazil), and Notting Hill (London). Every village celebrates, as families cook up a storm to honor this centuries-long tradition of dancing, masquerading and feasting before the fasting and meditating of Lent.

Be sure to visit Venice or Tuscany to join in on these fun festivities!

WYVERN OF THE MONTH

SSgt Ryan Puckett

Wyvern Nation, check out February's Wyvern of the Month! Give it up for SSgt Ryan Puckett!

"SSgt Ryan Puckett is, without a doubt, the most creative Wyvern! Although he pursues many artistic endeavors, his most prominent one is videography. This past summer, he was asked by the Medical Group Commander to create a video showcasing our 31FW Medics during the AF Surgeon General Visit. Additionally, he filmed the first-ever Air Force approved flightline specific drone footage to commemorate the 31st Maintenance Group Change of Command.

Ryan is an engaged member of the Aviano community and has also worked with local manufacturers for promotional footage. He filmed a "first person view" video for the O-Zone Paragliders and recently created a short for Maniago Knife Makers. In addition to filming, Ryan enjoys photography and the intricate art of digital editing. He has countless incredible videos of him and his friends hiking and enjoying everything Italy offers!

He's an incredibly talented, artistic, and involved Wyvern who deserves all the recognition and praise!"

For March's Wyvern of the Month:

We want you to nominate a Wyvern that is the BIGGEST BOOKWORM you know! Check out page 27 for more information!

Email us at 31fss.marketing@gmail.com to nominate a Wyvern, including a photo and a short description pertaining to the monthly prompt. The Wyvern of the Month will be featured in our monthly Grapevine magazine. **Submissions are due February 15th by 4PM.**

SPONSOR OF THE MONTH

TSgt Jarrett, 31 SFS

When it came time to welcome a new team member to Aviano, TSgt Jarrett Newman really went the extra mile as a sponsor. In addition to reaching out ahead of time, answering questions, being available as a resource, and greeting the new family, TSgt Newman ensured they felt completely at home upon arrival. As the new family arrived near the holidays, TSgt Newman and his wife, Heather, got them a Christmas tree for their children to enjoy and did everything they could to get the family settled in. His new team member noted, "I couldn't have asked for a better sponsor. He did more for my family than I could ever have asked for, and my family and I could not be more thankful for everything he and his family has done! This is the best sponsor I've had to date." Thank you for being a rockstar, TSgt Newman!
