# Employees of the Month

Adrienne Feilmeier

With less than a year under her belt, Ms. Feilmeier is easily one of the best infant care providers we have. Ms. Feilmeier's efforts have become the benchmark for others to follow. She is directly responsible for the safe and healthy operation of an infant room, which cared for 8 infants for a total 1.6K hrs this month! She has stepped up during the absence of a GS room lead to develop intentional lesson plans - exceeding requirements and keeping parents' trust. Furthermore, she stepped up to provide mission-critical extended care in support of multiple USAF/Aviano AB readiness exercises, without error. Ms. Feilmeier accomplished all of this while still completing her AF training 6 months ahead of schedule - earning a promotion to Target Level grade!

Rebecca Jeppson

Mrs. Becky Jeppson is one of our cherished seasonal employees at the Post Office, bringing unmeasurable value to the team as an Official Mail expert. Affording much-needed continuity to critical processes, she is the go-to for answering questions from more than 100 unit mail clerks across 58 units on Aviano Air Base. Fast and efficient, Ms. Becky hops to it the moment a customer walks through the doors of the postal annex. She offers service with a smile each and every time, no matter how cumbersome the trunk, suitcase, tire, or shipping crate. Processing over \$100,000 worth of end-of-year purchases that come through the Official Mail Center, she is directly responsible for ensuring accountability of high-value, taxpayer-funded equipment that is essential to the mission execution of the 31st Fighter Wing.

# WYVERN OF THE MONTH

"Lt Reaves arrived here at Aviano for his first assignment less than a year ago, and has been doing great things ever since. His role as a sponsor for another first-time PCSer made all the difference in their arrival on base. By staying in frequent communication, offering insight into the inner-workings of base operations, and providing assistance with truly anything needed, Lt Reaves went above and beyond his requirements as a sponsor. His positive attitude and assistance turned what could've been a very unfamiliar and intimidating situation into something manageable and exciting for all involved. Thank you for your outstanding assistance and care for others, Lt Reaves!"

## Sponsor of the Month

A1C Sorensen was an absolute rock star for her incoming colleague! Before she was even appointed the new member's official sponsor, she reached out to her to check in, make her feel welcome, and congratulate her on her assignment to Aviano. After becoming her sponsor, she went above and beyond to make sure she had all the info she needed to comfortably PCS, pre-stocked her room with goodies she knew would make her feel at home, and personally welcomed her upon arrival. Thank you for being a shining example of what a good sponsor can do to make someone's PCS experience wonderful, A1C Sorensen!
